

At Christian Preschool,

- **We create a positive school environment where the children rotate throughout our spacious and various rooms during the school day (discovery, art, free-play, indoor gym, music, playground, etc.) grasping the concept of transition.**
- **Foundational skills your child will learn through modeling and play, such as sharing, taking turns, patience, conflict resolution, etc.**
- **We encourage independence and help each child strive towards mastering his or her individual skills and abilities.**
- **We believe that no two children acquire skills at the same time or in the same way.**
- **We know that children learn while playing. Playtime is the time for socialization, experimentation, and discovery. It is a time for doing the necessary "work" of childhood.**
- **Children feel comfortable in an environment of mutual respect. We encourage them to love and respect others.**
- **Curriculum includes: *Handwriting Without Tears*, Scholastic News, monthly themes and topics, letters, shapes, rhyming, number sense, etc.**

**We welcome you to join
our wonderful
Christian Preschool Family!**

WELCOME...
to Christian Preschool,
a love & play-based school!

Christian Pre-School has been a unique and respected part of the Rivertown's for **5 DECADES!** We are a non-denominational Christian preschool for children 2-4 years of age. Our primary goals for our students are that they develop:

- a yearning for and excitement about learning and discovery,
- the skills needed to succeed in kindergarten and beyond,
- a respect for each other and the world around them,
- the self-confidence that enables good decision making and clear verbalization of ideas,
- and an assurance of God's love.

OUR MISSION STATEMENT

We are a ministry of Dobbs Ferry Lutheran Church, grounded in the word of God, offering a Christian-based, non-denominational preschool experience that actively engages and encourages the faith lives of our families.

STAFF, CLASSES and FACILITIES

Our staff consists of a Director, an Administrative Assistant and a Teacher and Assistant for each class. Our staff is dedicated, nurturing and very experienced. We offer small class sizes which allow for the individual attention children require at this age.

Our classes are grouped according to the ages of our students. We follow the Dec. 31st cut-off used by the local school districts; your child will be in the correct cohort moving forward.
